

East Dakota Water Development District Board Member:

Gary Duffy

Director since 2013

Director Duffy has been very active in his community. He has been past president of the SD Corn Growers Association, the SD Corn Utilization Council, and the SD Value Added Development Center. He has been a past member of the Oldham School Board, and the Oldham City Council, and past board member of the SD Crop Improvement Association. He is currently the President Shamrock Farms Inc., and holds memberships in SD Corn Growers and the SD Soybean Association. He also officiates high school football, volleyball, and basketball.

Gary is married to Judy. He has four stepsons and eight grandchildren.

In his spare time, Gary likes watching TV, spending time with his grandchildren, officiating, and watching SDSU football and basketball.
